

Clinical Quality Documents and Other Resources for an OSV

[NACHC's Quality Management Monograph entitled "The Quality Management Plan."](#)

<http://www.nachc.com/Quality%20Management.cfm>

Excellent three part video series: **A Quality Primer**: Free Three-Part Quality Management Webinar Series for New & Seasoned Health Center Staff:

- *QM laying the foundation*
- *Building organizational quality*
- *Pulling it all Together in Today's Environment*

The slides are downloadable as well as the plan documents

Ties in nicely to roles, general QI work and also the OSV for clinical quality

Other quality resources:
