Staff Physician

Open Door Health Center (ODHC) is seeking a Staff Physician to provide patient care at our Mankato location. Join our patient-centered and compassionate team!

About Us:

Open Door Health Center, a Federally Qualified Health Center (FQHC), exists to increase access to quality, affordable, culturally appropriate, patient centered health care and to maximize the overall well-being of our patients. Our clinic provides expert care that is culturally sensitive to our diverse community. Our workplace is characterized by our passion for excellence, compassion for our patients, and commitment to our work. We currently serve over 3,000 patients, and our patient volume continues to grow. In addition to our Mankato location, we have a Mobile Health program (Medical and Dental) that serves communities across southern MN. Open Door Health Center is a National Health Service Corps (NHSC) Loan Repayment Program approved location.

Position Summary:

The Staff Physician is responsible for providing comprehensive, professional, culturally, linguistically, and age appropriate care to both well and ill patients. The physician educates patients and/or their families to promote wellness, prevent illness, maintain current health and treat chronic illness. He/she must demonstrate the ability to provide culturally appropriate care options and integrates the quality care standards of the industry into their daily practice. The physician works in a team environment under the general supervision of the CMO and with the medical staff in a cooperative manner to ensure an effective and efficient work environment, in addition to meeting goals and objectives of the medical department. He/She must have strong interpersonal skills and be able to communicate effectively with all levels of the organization, and with patients, visitors, and outside agencies. Experience working in a community health setting with diverse populations and bilingual skills are a plus.

Required Skills:

The Staff Physician must be board certified in Family Practice or Internal Medicine and must hold a valid license from the Minnesota Board of Medical Practice, a current DEA registration, and current BCLS certification. He/she must have a thorough knowledge of medical theory and practice, physical assessment, differential, diagnosis, pathophysiology, pharmacology, and management of acute and chronic health. The Staff Physician must have strong organizational skills, be detail oriented, have the ability to prioritize and handle multiple demands and is knowledgeable on reimbursement and regulatory requirements. He/she must know and utilize Universal Precautions to minimize potential exposure to hazardous conditions, pathogens or communicable diseases.
