This user guide is designed to provide quick help for Health Center Program grantees and look-alikes. It covers accessing UDS Reports in the HRSA Electronic Handbooks (EHBs), preparing and submitting UDS Reports, revising and resubmitting UDS Reports, and accessing reports and data related to your UDS Report.

**How to Find Your UDS Reports in the HRSA EHBs (Grantees)**

Whether you’re preparing your initial filing, resubmitting a previously-filed report, or coming to the HRSA EHBs to find reports based on data collected through UDS, your first step is to navigate to your UDS reports (the current one or any you’ve submitted through the HRSA EHBs in previous years). There are several ways to do this, but the following steps will work in all cases.

1. Log in to the HRSA EHBs.
2. In the Top Navigation panel (Figure 1), click the **Grants** tab.

   ![Figure 1: Grants Tab in Top Navigation Panel](image)

3. The My Grant Portfolio – List page opens (Figure 2), displaying your grants in a list. Find the Health Center Cluster grant (grant number begins with “H80”) and click **Grant Folder**.

   ![Figure 2: My Grant Portfolio – List Page](image)

4. The folder for the grant opens to the Grant Home page (Figure 3). In the Grants section of the page, under Submissions, click **Performance Report**.
5. The Submissions – All page opens (Figure 4), displaying all performance reports related to the grant.

   **Figure 4: Submissions – All Page**

   The Submissions – All page shows all submissions, but you can enter “UDS” in the **Submission Name Like** field and then click the **Search** button to display only UDS reports.
6. To display only UDS reports, you can enter search parameters under **Search Filters** at the top of the page. For example, you can enter “UDS” in the **Submission Name Like** field, and then click **Search**. The list will display only UDS reports (Figure 5).

**Figure 5: Submissions – All Page Showing Only UDS Reports**

If you’ve come here to find your current UDS Report, note that it’ll be the one with “Start” or “Edit” in the Options column (last column on the right). The remaining listings (the ones with “Performance Report” in the Options column) are reports you submitted in previous reporting periods.

Preparing and Submitting a UDS Report (Grantees and Look-Alikes)

Preparing and submitting your UDS is a matter of entering the data, running the required audit checks, and then submitting your report. On-line resources are available if you need help you with this.

1. Users new to the EHBs or UDS should view the Web-Based Uniform Data System (UDS) Overview presentation at https://grants3.hrsa.gov/2010/WebTrainingInternal/Interface/CBT/UDS%20OTA/UDS_TA_Slides.htm. This presentation covers the whole process, from logging in to submitting your UDS.

3. If you still have questions, see the UDS-related Frequently Asked Questions (FAQ) at https://help.hrsa.gov/display/public/EHBSKBF/UDS+FAQs.

Since this material is readily available and quite comprehensive, we won’t reproduce any of its content here.
Revising and Resubmitting a UDS Report (Grantees and Look-Alikes)

If your reviewer returns your UDS Report to you with a request for corrections or changes, you’ll receive notification, usually by email. The email may contain the date the report is due back. It will contain a list of issues which will require action from you. Take the following steps:

1. **Open Your UDS Report.** Follow the steps given under “How to Find Your UDS Reports” above to find your UDS reports. Click **Edit** to open the report for changes.

2. **Review the Reviewer’s Comments.** The comments may be included in an email sent to you or using the EHBs system through the “Change Request Email” link (accessed from the Status Overview page). The reviewer will let you know what items need revision.

3. **Run the Data Audit Report.** Run the data audit report to get the most recent list of edits since some edits may have been reprogrammed or added since submission or need to be corrected as indicated by the reviewer. For help with running the Data Audit Report, see [https://help.hrsa.gov/display/public/EHBSKBFG/Executing+the+Data+Audit+Report+and+Clearing+an+Edit](https://help.hrsa.gov/display/public/EHBSKBFG/Executing+the+Data+Audit+Report+and+Clearing+an+Edit).

4. **Address the Reviewer’s Findings.** Carefully review each problem identified by the reviewer. Correct the data or provide an explanation. Changes you make to the data entered into one table may make it necessary to change data entered into another.

5. **Run the Data Audit Report Again.** Validation rules apply as they did when you first prepared the report. You must run the Data Audit report to check for errors or exceptions. Just as when you first submitted your UDS, it must be free of errors, and exceptions must be explained.

6. **Resubmit the Report,** as detailed in the following paragraphs.

   The **Continue** button appears at the bottom of the Data Audit Report page as soon as the Data Audit Report is complete. Click the **Continue** button to open the Review page. (You can also access the Review page by clicking **Review** on the Left Navigation panel.)

   From the Review page, you may review any section of the report. You may also print the report.

   When you’re ready to proceed with submission, click the **Continue** button at the bottom of the Review page to open the UDS Certification page (the “Submit” page).

   - If your report is ready to be submitted, you can also open the UDS Certification page by clicking **Submit** in the Left Navigation panel.

   - If clicking **Submit** in the Left Navigation panel opens the Status Overview page, your report is not ready to be submitted. See the note at the top of the Status Overview page.
Follow the directions under UDS Certification ("I Agree" is not case-sensitive), and then click the Submit Report button.

On submission of the report, you’ll receive a confirmation email. The reviewer will be notified by the EHB system when your report has been resubmitted.
